

# Hold Hands

Discuss Why  
& Because?

## HOW TO BE SAFE AT THE LAKE

1. We only go near water with an adult, never without them. **Remember: Hold Hands.**
2. Stay away from edges, don't get too close when walking.
3. If there is a lifeguard, we swim close to him or her.
4. Lakes can get deep quickly, always stay close to the shore.
5. We always make sure that our adults can see us.
6. We do not follow our toys if the wind blows them away.
