HOW TO BE SAFE IN A SWIMMING POOL

1. We only go near water with an adult, never without them. **Remember: Hold Hands.**
2. The lifeguard is there to help keep us safe.
3. We always use the ladders and steps.
4. We only walk in the swimming pool and do not run.
5. We only go into the deep end with our adult.
6. We play safely and take turns.
